

ROLLER-BLADING POLICY- BILL BREWSTER ARENA

Policy RF 005-94

Purpose:

It is the will of Council that all recreational facilities be developed to be used on a year-round basis, where economically feasible and/or for social reasons. All recreational activities will be done in a safe environment with the proper equipment.

Policy:

1. The arena operating policy # RF 004-94 shall take precedence at all times.
2. It is the intent that there will be adult supervision for youth programs. Volunteers will be utilized where possible. A staff member shall be in attendance at all times.
3. Proper safety equipment will be used at all times. When an organized hockey game is being played, helmets with face masks will be worn by all youths under the age of eighteen. No other helmets other than certified hockey helmets will be allowed. Elbow pads and knee pads shall be worn at all times while on the rink area.

This policy was passed by resolution of Council this 23 day of November, 1994
