## Inter-municipal Business Licence Program

If a business maintains an office/space in more than one Yukon municipality, they must obtain a business license in each municipality in which they have a base.

Yukon business are entitled to apply for an **Inter-municipal Business Licence** to permit that business to carry on business in those municipalities **in which it does not maintain premises**.

**Inter-municipal Business Licenses** are designed for businesses that provide occasional sales/services in other Yukon municipalities.

Fees of \$85.00 are in effect from January 1—December 31 of each calendar year, or \$42.50 if purchased after July 1.

The **Inter-Municipal Business Licence** can be purchased from any of the participating eight member municipalities.
