Municipal Reports

CAO Report

CAO Clarke noted that she has received a very welcoming and informative transition. A meeting was held recently regarding infrastructure projects. It was noted that Haines Junction will receive 30 million in projects over the next several years. The water line replacement has been identified as the priority and will be phased over three years.

#332-16 Moved E. Koh Seconded S. Smith THAT the CAO report be accepted.

Motion #332-16 was CARRIED.

Committee Reports and Recommendations

Culture, Parks and Recreation Committee

#333-16 Moved E. Koh Seconded B. Sundbo

THAT the minutes of the Culture, Parks and Recreation Committee meeting of October 24, 2016 be accepted for information.

Motion #333-16 was CARRIED.

Three members' term are expiring in November, two of whom are willing to be reappointed for an additional term. There is one previous vacancy. A call for members will be posted with an emphasis on finding a youth representative. The member reappointments will be ratified at the November 23, 2016 regular meeting.

Community Development Committee Meeting Minutes_October 4, 2016

The CDC Committee has requested clarification on whether the Master Landscape Plan is their only mandate. It was reiterated that Council is always willing to meet with the committee to clarify issues and discuss new ideas.

It was noted that Council had discussed rotating committee liaisons. The Chamber of Commerce representative appointment expires in January. This will be brought forward for future discussion.

The CDC Committee is interested in developing a member welcome package similar to that recently done by the CPR Committee.

The CDC would like Council to consider whether their future intention for trails is for management only or maintenance as well. It was noted that user groups have different requirements and often take responsibility for their own maintenance. There could be significant costs involved in assuming maintenance. It was noted that this discussion would start during the public consultation process.

There may be additional opportunities to apply to the Rick Hansen Many in Motion fund. It was noted that it is beneficial to have project ideas ready as funding application deadlines often have short timelines.

#334-16 Moved S. Smith Seconded E. Koh

THAT the recommendation of the Community Development Committee to award a Commercial Property Improvement Grant to Frosty's Restaurant in the amount of \$4,377.50 be approved.

Motion #334-16 was CARRIED.

#335-16 Moved E. Koh Seconded S. Smith

THAT the minutes of the Community Development Committee meeting of October 4, 2016 be accepted for information.

Motion #335-16 was CARRIED.

Accounts Payable

Municipal Accounts Payable to November 9, 2016

#336-16 Moved B. Sundbo Seconded E. Koh

THAT municipal accounts payable, transfers and cheques #23430 to #23557 in

the amount of \$96,045.84 be approved for payment.

Motion #336-16 was CARRIED.

Business Arising

Appointment of Chief Administrative Officer

#337-16 Moved E. Koh Seconded B. Sundbo

THAT Cathy A. Clarke be appointed to the position of Chief Administrative Officer and designated as a Municipal Officer for the Village of Haines Junction

effective November 1, 2016.

Information and Correspondence

#339-16 Moved E. Koh Seconded B. Sundbo

THAT the Information and Correspondence items as outlined on the agenda

be received for information.

Motion #339-16 was CARRIED.

Council Reports

Councillor Koh recently attended the airing of a documentary on the Carcross Single Track to Success project where an announcement was made regarding the project's application to the Arctic Inspiration Prize and the Haines Junction partners including the Village, CAFN and the mountain bike club. She also noted that the Single Track to Success has been selected as a finalist for the Arctic Inspiration Prize.

Councillor Sundbo noted that the cannon will be deployed at the Remembrance Day ceremony.

Councillor Sundbo noted a concern regarding rebar from election signs that was left in the highway right of way which could be a hazard to snowmobiles. The appropriate party will be contacted.

Councillor Sundbo suggested that a joint CAFN dinner be scheduled. Mayor Riseborough suggested that be preceded by a daytime meeting with a cooperative agenda and include CAFN senior staff.

Councillor Koh will attend the November 28, 2016 Culture, Parks and Recreation Committee meeting in Councillor Smith's absence.

Mayor Riseborough noted that a communications and engagement strategy has been identified as a priority for strategic planning.

Strategic planning will be the main agenda item for the Committee of the Whole meeting on November 16, 2016.

#04-16

Moved Y. Eleniak Seconded R. Jux

THAT the minutes of the Art Acquisition Selection Committee meeting of August 22, 2016 be approved as amended to add under Business Arising – "D. Sillery suggested that this was a project for the CDC to pursue, or for the AASC to pursue in conjunction with the CDC"; and under New Business, Giant Picture Frame – "D. Sillery questioned whether this project constituted art and whether it should not be done in conjunction with the CDC".

Motion #04-16 was CARRIED.

Delegations

Bob Braun re: Location for Eagle Carving and Bike Racks

Mr. Braun was invited to attend the meeting to discuss the location for the eagle carving. He noted that during the last few months that the carving has been in the Convention Centre it has cracked on the bottom due to the dry air. It was agreed that the carving should be located outside and would need to be mounted on a raised platform. Mr. Braun explained that his suggestion is to attach the carving to an enclosed metal stand that would be anchored to a cement pad. This would also make it inaccessible to having people climb on it. Mr. Braun noted that Chetwynd B.C. has numerous chainsaw carvings which are finished with marine varnish. Mr. Braun would like to build the stand and apply up to five coats of marine varnish over the winter, making the carving ready for installation in the spring. The committee agreed that the preferred location would be the Junction Overlook and the specific site would be determined in the spring. It was suggested that it be positioned in the centre of a flower bed to discourage people getting too close.

Mr. Braun suggested the idea of bike stands with a bear or other animal or bird shape fabricated from flat bar on either end of the rack. It was suggested that the stands be made wide enough to accommodate fat tire bikes. The pool, the greenbelt on Kluane Street and adjacent to the laneway by the Village Bakery were locations suggested for the bike racks. It was noted that bike racks would fall under recreation. It was suggested that the CPR Committee be advised of the bike rack idea and requested for input on possible locations. It will be necessary for the committee to determine locations and themes and budget before proceeding with the project.

Business Arising

Prioritization of Ideas

Project ideas, timelines, budget and funding opportunities were discussed at length. The following list was compiled:

- Grand Hall sides of stage, curtains, ceiling theme
- Bike racks determine locations and research examples
- Giant picture frame locations, specs and safety of foundation
- JAR acquisition and display pending further information
- Art exchange Haines Alaska (July 1 / July 4) Yvonne to research
- Water tower mural research liability, longevity of structure

Comedy / Tragedy Masks Proposal

The members present were not supportive of the idea as proposed to specify the combination of European and First Nation themes into one piece. After considerable discussion it was agreed that a non-specific call for proposals would be posted for an art piece for the Grand Hall. The proposal will include suggestions for locations and an explanation of the purpose and main uses of the room and allow the artist to determine the form and theme of the piece. The committee would like to pursue an invitation to CAFN to share and plan the space.

#05-16 Moved M. Evans Seconded Y. Eleniak

THAT the Art Acquisition Selection Committee recommends to Council that a Request for Proposals be prepared for an art installation in the Grand Hall, walls adjacent to stage, sound panels, retractable seating curtains and ceiling to be suggested as possible locations, theme and piece to be determined by the artist.

Motion #05-16 was CARRIED.

#06-16 Moved M. Evans Seconded Y. Eleniak

THAT the Art Acquisition Selection Committee requests Council's support to proceed with the water tower mural idea - to determine the project's legal, technical, longevity and liability issues.

Motion #06-16 was CARRIED.

#07-16 Moved M. Evans Seconded

THAT the Art Acquisition Selection Committee requests Council's support to proceed with the giant picture frame idea - to determine location, structural considerations and engineering specifications for footings.

Motion #07-16 was CARRIED.

#08-16 Moved M. Evans Seconded

THAT the Art Acquisition Selection Committee requests Council's support to proceed with the bike rack idea – to determine location, quantities and examples.

Motion #08-16 was CARRIED.

New Business

Brent Liddle - Exhibit Proposal

Mr. Liddle has provided an expression of interest to renew and upgrade the Cultural Landscape of Kluane exhibit which could include the addition of panels on First Nations

history and new photographic storylines for the fabric display. It was noted that the exhibit was commissioned as a millennium project and depicts the history of the establishment of the community. It was questioned whether there is a need and space to continue with additional decade panels and whether it would fall under the AASC's purview. A response will be given to Mr. Liddle explaining that the committee is not interested in pursuing the display at this time.

Junction Artist in Residence

The Junction Artist in Residence has extended an offer to the AASC to purchase one or more art pieces from the recently completed residency. The residency was a fashion / fabric art theme and the committee noted a concern on how a fabric piece would need to be displayed. It was noted that the committee approved support of the project in the initial stages but no formal monetary commitment was made.

CDC Strategic Plan

Mike explained that the CDC is currently doing a trail inventory and will be proceeding with highway corridor esthetics.

Next Meeting Date

The next meeting will be Monday, November 21, 2016.

Adjournment

The meeting adjourned at 9:20 p.m.

Re: JFFF Account

To Mayor and Council;

At present, the members of the Culture, Parks and Recreation (CPR) Committee maintain a bank account with TD Bank to pool our honoraria to form the Junction Function Funding Foundation (JFFF). Members of the CPR Committee may elect to contribute their honoraria to the JFFF in order to fund recreation opportunities in Haines Junction. Previously, we were able to transition signatories on this account through our local Haines Junction kiosk. The rules governing signatory authorization at TD Bank have changed and signatory transfer now needs to take place in Whitehorse.

A recommendation was put forward by the Village of Haines Junction Treasurer to close the bank account and create a line item for the Junction Function Funding Foundation within the Village of Haines Junction accounts. The JFFF membership understands that the Village's auditor has approved this transfer and that the committee will be able to designate these funds as per usual. As such, the JFFF membership requests that Council authorize the transfer of the Junction Funding Foundation TD Bank account to the Village of Haines Junction account. We understand that meeting honorariums will be allocated to the fund by journal entry and that JFFF disbursement cheques will be written from the Village of Haines Junction account.

Sincerely,

Kari Johnston
